WARRANTY STATEMENT

Small Parts

Dirty Hooker Diesel/DHD warrants its private branded products free of manufacturing defects for 90 days past the date of delivery. Most industry professionals agree that a product that lasts 90 days will likely continue to do so for an extended period.

DHD branded products have met specific fitment, performance and functionality standards that we feel offer a perfect blend between quality and value. In the event a product does not uphold these standards it may be subject to warranty consideration.

Examples of Coverage

- Product Does Not Fit
- Weld Failure at Root
- Product Does Not Function
- Product is Missing Parts

Whats NOT Covered

- Driver Abuse of Product
- Installation Errors
- Environmental Stress
- Incorrect Application Use
- Solid State Control Modules (FICMS,ECM,TCM,BCMS,PCM)
- Used, Liquidated or Discontinued Parts
- Items with No Proof of Purchase
- Labor, Towing, Rental or Any Other Related Incurred Expenses

Warranty Process

Failures or suspected performance concerns must be reported to Dirty Hooker Diesel via phone 1-989-479-0444. Please have your order number or proof of purchase accessible. Depending on the concern, pictures or video evidence may be required for claim investigation. This media must be sent to sales@dirtyhookerdiesel.com. In some cases products will need to be sent in for further examination prior to warranty consideration. Warranty does not mean unconditional replacement.
